

PIONEER WINS TWO EISA AWARDS VSX-924 AV-RECEIVER & AVIC-F60DAB NAVI-MEDIA SYSTEM

PIONEER IS PROUD TO ANNOUNCE THAT BOTH THE VSX-924 AV-RECEIVER AND THE AVIC-F60DAB IN-CAR NAVIGATION/MEDIA SYSTEM WERE AWARDED BY THE EISA -THE EUROPEAN IMAGING AND SOUND ASSOCIATION.

EISA is the world's most prestigious multimedia magazines association, which consists of fifty special interest magazines from twenty European countries. In June each year, the editors-in-chief from all EISA member magazines meet to decide which of the products they analysed in their publications during the past year, deserve the coveted EISA Award. The six categories under consideration are: Audio, Video, Home Theatre, Photography, In-Car Electronics and Mobile Devices.

VSX-924 AV-Receiver

The EISA jury awarded the VSX-924 AV-Receiver with the prestigious 'European HT Receiver 2014-2015' title. The EISA jury described the performance and feature set of the VSX-924 as:

**“AN INSPIRED PRODUCT THAT DELIVERS
MASSES OF HIGH-END ENTERTAINMENT AT
A TRULY AFFORDABLE PRICE”**

“A home theatre receiver that offers excellent value, Pioneer's VSX 924 is packed with up to date technologies, providing enthusiasts with HDMI 2.0/4K compatibility with 18 Gbps bitrates and 4:4:4 colour sampling. This potent video stage is matched by Pioneer's signature sound. Advanced Energy Direct amplification (7 x 105W) and audiophile D/A circuitry – including a sophisticated ESS SABRE DAC – ensure multichannel movie soundtracks are rich and detailed. For music fans, the VSX 924 supports numerous file formats, even DSD, and connective options include both AirPlay and Bluetooth, plus full DLNA 1.5 compatibility. Meanwhile, the iControlAV5 app for tablet PCs and smartphones (iOS and Android) streamlines operation. An inspired product that delivers masses of high end entertainment at a truly affordable price.”

AVIC-F60DAB Navi-Media System

The AVIC-F60DAB, the all-new double DIN Navigation AV-System, was awarded by the EISA Jury as the 'European in-car Navi-Media System 2014-2015'. The Eisa described the AVIC-F60DAB as:

**“THIS IS THE BEST NAVI MEDIA SYSTEM
TO APPEAR ON THE MARKET TODAY,
OFFERING MORE FEATURES AND
FUNCTIONS THAN EVER BEFORE”**

“Pioneer’s AVIC F60DAB is the most complete head unit on the market. It accepts content from a wide range of sources, and has an excellent smartphone connection as well as modern, high tech MHL/HDMI input ports. Smartphone control also allows users to enjoy Pioneer’s AppRadio Mode, and MirrorLink to use phone applications via the capacitive multi touch 7 inch monitor. The system is also ready to accept Apple’s new CarPlay standard, and features an integrated sound processor and a digital radio tuner that includes time shift functionality. For navigation accuracy the AVIC F60DAB makes use of a complete MEMS 9 axis sensor set with gyro, accelerometer, motion tracking and compass. This is the best navi media system to appear on the market today, offering more features and functions than ever before.”
