General Procedures and Timetable:

The arrival and registration of the participants begins on Thursday, March 20 at 14⁰⁰ at the Salzburg Expo Main Gate (see floor plan on page 5) and ends before 19⁰⁰. To register please drive into the area at the gate 2.1, park your car there and go to the EMMA Office Desk in Hall 6 to register.

Please make sure your registration sticker is placed in the front window. Drive the car to the estimated position in the hall. The cars will be sorted and placed by nations. An EMMA official will guide you. The registration fee for all categories will be 75. - Euro. Additional starts will cost an extra fee of 20. - Euro per class. The registration contains a Ticket for the EMMA Party. Additional Party Tickets can be bought at the EMMA Desk for a price of 25.- Euro. Please note that all cars must be inside the hall on Thursday March 21 at latest 19⁰⁰.

A competitors briefing and introduction of the judging team will take place on Friday morning 9:30 at the main stage. The judging procedure will start at 10⁰⁰ o'clock and it will end 19⁰⁰ in the evening. All categories will start according to the plan which is displayed at the back office. In categories with more than 12 cars attending the SQ judgement will be split into two days (Fri/Sat).

All SQ cars will be judged with the single seat judging system. The judges will verify the sound quality only from the driver seat. No scores will be shown to the competitor. The final result will be the average of the scores.

On Sunday at 11⁰⁰ the best two of the first ESPL round will compete against each other in front of the stage. Also the ESPL Competition will take place on Sunday in front of the stage. The ceremony will start at 15:30. Please note that the cars are not allowed to leave the hall before 17:30.

Please make sure that your car will be presented to the visitors during the show. A closed car means deduction of points.

Please consider that this is a sound quality competition and visitors might want to listen to the sound quality cars. Please take care about the noise level in the halls.

EMMA
EUROPEAN MOBILE MEDIA ASSOCIATION

European Championships 2013 Salzburg

The ESPL competitors will place their vehicles in a designated area in the Expo's courtyard. Also here the noise level shall be at an acceptable stage.

EMMA will install an FM transmitter in the courtyard so all audio systems can play the same music.

Inside the Hall any noise is strictly forbidden. For those who are not following this rule the cars chargers will be taken away and 10 point deduction on the scoresheet will be noticed.

The Tracks used for the measurement procedure are

- **First Round: Track 27** (also for ESQ and EMMA Racing)
- **Final Round: Track 28**

Official competition Timetable:

- **Friday**
All SQ classes, Multi Media, EMMA Racing Install/Design, ESPL/ESQL Install
- **Saturday**
All SQ classes, Multi Media, EMMA Racing SQ/ESPL, ESPL first round
- **Sunday**
ESPL Final, ESQ Final, 16^{oo} Award Ceremony

On Saturday the first round of ESPL measurement as well as the EMMA Racing measurements will take place in front of the stage.

The Area overview

The Competition Teams are inside the Hall 2/6. The ESPL Area is in the Courtyard

The back office is in Hall 6

Please note:

Driving inside the halls is strictly forbidden. All cars have to be pushed by hand. All ESPL, EMMA Racing and ESQJ competitors will be measured in front of the main stage hall 6. A list with the judging order will be displayed at the back office.

Important competitor information:

Smoking inside of the hall is strictly forbidden. If you need to take your car out of the hall you are allowed to leave in the evening between 18⁰⁰ and 19⁰⁰ and to enter in the morning between 8⁰⁰ and 8:30. If possible bring a fire extinguisher with you.

SQ Experienced & Advanced

The competitor has to prove that his equipment was bought regularly in shops, the internet or elsewhere. Only written receipts will be accepted as proof. In case of a not 100% solid document the event director will disqualify the competitor.

Limited Categories (Experienced 2000, Advanced 4000, Expert 6000)

Also in these categories a proof documentation of all prices is required. This could be submitted as screenshots or copies of receipts as well as by copies of the original retailers list etc. All used products HAVE TO BE in the international EMMA Value Database which you will find at www.emmanet.com/value. Please check if your products are in the database. If they aren't, please make sure to have them added. Please contact your national organization and send them product info and proof of purchase to have those products added. You can add products from the database to your car info and print this sheet for the judges. Please bring your "EMMA Value Sheet" to the Eurofinals. Also here the event director will disqualify any competitor whose equipment is not remaining within the estimated price limit.

6/7Channel

Any competitor has to prove the use of Channels in His/Her Vehicle. This can be done by physical inspection or by a proper documentation.

Car-PC = Self-made Equipment

In general all Car –PC will count as self-built equipment which leads to a participation in Advanced Unlimited or higher category. Only equipment at which the competitor is able to verify that it was not modified in hard- or software (e.g. bought as a product bundle) is allowed to be used in lower categories/classes.

Country Presentation:

All international EMMA Teams are invited to present their country and their culinary and cultural specials. 500 Euro will be shared in between the participating teams. The day of this challenge competition is Saturday, March 22, at 12°. At this time a selected group of people will judge the presentations. The following points will be evaluated:

Layout of the presentation **0-10 Points:**

Flags, booth/area, special items to inform the audience (screens, books, posters, samples etc)

The Team **0-10 Points:**

Clothing, special ideas (hats, socks etc)

The food and beverage **0-10 Points:**

Food and beverage for the audience in terms of quality

Special Event **0-10 Points:**

Dancers, live music, comedians, clowns etc

Presentation to the judges **0-10 Points:**

The team leader explains 5 minutes about the nation and the idea behind the presentation to describe the culture of the country.

The Vibe logo is a stylized, white, blocky font with a red outline, set against a red background. The letters are bold and modern, with a slight slant.A pregnant woman with blonde hair, wearing a black crop top and bikini bottoms, is holding a large black speaker. She is standing in front of a colorful, abstract background that features a large, stylized 'V' and 'B' in purple and blue. The overall scene is vibrant and energetic.

One of the leading
manufacturers of audio
components in the
world

A large, black, rectangular speaker with a prominent yellow tweeter. The speaker has a red and white striped pattern on the side and the Vibe logo on the front. It is positioned in the foreground, slightly to the left.

More than 20 years of
experience

A collection of various audio speakers and components, including a large tweeter, a smaller tweeter, and several circular speakers of different sizes. They are arranged on a red surface, with some components overlapping. The background is a dark, textured surface with a red and black pattern.

European Championships 2013 Salzburg

Last but not least – THANK YOU

EMMA would like to say thank you for making this event possible

Special thanks to:

Messezentrum Salzburg GmbH for your hospitality and support

The companies **Ground Zero GmbH, Rockford Fosgate Corporation, Audio Design GmbH, Audio System Europe (Gladen & Mosconi), Audio System Germany, AIV GmbH & Co. KG (AIV & Rainbow), DLS Svenska AB, Maestro Badenia Akustik & Elektronik GmbH (German Maestro), Midbass Distribution Ltd. (Vibe), ACV GmbH & Tchernov Cable** for being sponsor of our EMMA Eurofinals 2013

The international Judge Team, the Backoffice Team and all those who supported EMMA to host the Eurofinals 2013 – All of you do a great Job!

And of course: Thanks to our competitors. Most of them drove a long distance to take part in the 2013 Eurofinals. Without you this event would never work!

Thank you so much
